Wooden Gazebo

WOODEN GAZEBO FOR UP TO 8 AND UP TO 16 PEOPLE

The small wooden gazebos of Alaska Resort are the first of their kind in Armenia. In these unique gazebos, there is a table with a fire pit and grill combo (Firepit Table).

Don't miss the opportunity to combine two pleasures in one trip: make the traditional Armenian barbecue (Armenian BBQ), grill your favorite meats right on the spot and spend your time with your friends.
